

Honorary Service Awards Nomination Form

The Roosevelt Elementary PTA will be selecting its recipients for the 68th Annual Honorary Service Awards Banquet in April 2018.

Take a look around the school or community. Is there someone who has volunteered outstanding service to children for a long time? If the answer is yes, nominate them for PTA's Honorary Service Award Program.

The purpose of the HSA is to give special recognition to selected individuals, parents, teachers, or school employees who have volunteered outstanding service to children and youth for a long period of time. "Volunteered" is defined as a non-paid service beyond the individual's normal paid activities. This could be anyone constantly involved with youth and children.

Please take a moment to nominate a worthy individual.
